# MAKING YOUR MONEY WORK HARDER, FASTER

*"Prosperity is the fruit of labour. It begins with saving money."*

*— Abraham Lincoln*

The LPR Wealth Booster is a fast-track savings programme which enables you to receive an impressive return on your investment, without a long-term commitment. With banks and ISAs failing to deliver the security and financial prospects they once did, more and more people are looking for an alternative way to make their money work hard. This product allows investors of all experience levels - even those with no knowledge of the property industry, to reap handsome rewards in just 6-months to 1 year.

## WHY PEOPLE LOVE THE LPR WEALTH BOOSTER

We all lead fast-paced lives and don't always have the time or patience to sit back and wait for a nest egg to grow. The LPR Wealth Booster is ideal for anyone who wants to see fast rewards in a short space of time - and because we do all the leg work, it requires very little input from you. We'll be completely clear throughout the entire process, using tried and tested methods to bring you great returns. Depending on how much you invest, we offer between 6% and 12% fixed rate returns per year. Compare that to just 1% from the average ISA and 0.5% if you leave your money in the bank, and it's easy to see why so many ambitious investors are choosing this fast-track option.

## HOW IT WORKS

From the moment we start working together, you'll become a part of the esteemed LPR family. That means we'll take the time to find out about you, your big 'why', and what kind of property projects excite you. You then agree to loan Little Piggy Rentals a pre-agreed amount of capital, for which, a solicitor-approved loan agreement is drawn up.

We'll then use our extensive networks to find the very best deals out there to give you a fast return, and, since your capital is only tied up for a minimum of 6 months, you'll be able to do whatever you like with it at the end of that period. Some people like to take their profits and use them for a holiday or a car, whilst others catch the property bug and decide to re-invest.

## WHY CHOOSE THE LPR WEALTH BOOSTER?

Because you deserve to live the life of your dreams. We are in the fortunate position of having a team of young, energetic, and educated property entrepreneurs, and we work closely with a network of successful property investors, so there are few people better placed to help you find the perfect investment opportunity. You'll be able to tap into our knowledge and expertise and have exclusive access to shadowing opportunities, so you can watch and learn as the deals come together. And if you catch the property bug, you'll be in the perfect position to become a property expert yourself. Our Power Team covers all disciplines, from Risk Management and Forecasting to Law and Finance, so you can trust us to manage the entire process and keep your hard-earned money in safe hands. Choosing the LPR Wealth Booster provides you with genuine opportunities to work towards achieving financial freedom. Not only has this method has been proven to out-perform the banks, year on year - LPR is committed to using its profits to fund social justice projects. So, if you are looking for the best life for you and the people you love, the Wealth Booster is a great way to take that next step.
